* The actual realizations are more than the value of Excise Opium issued, owing to decrease in the stock remaining in the hands of Collectors at the end of the year.

† The Commissioner of Customs, Salt and Opium, whose salary is all taken under the head "Customs," has the superintendence of this department in Bombay. The weighments and other duties performed in the Native States, where the opium is grown, are under the superintendence of British officers paid by the States concerned.

† The actual realisations are less than the value of Excise Opium issued, owing to increase in the stock remaining in the hands of Collectors at the end of the year.

† The difference between this figure and the closing balance of last year arises from the transfer of the "General Family Pension Fund" and "Hindu Family Annuity Fund" Accounts to Account No. 66, and the inclusion in this statement of "Municipal Funds" and "Incorporated Local Funds Debt Accounts" which last year were shewn under "Advances."

‡ The balance of General Deposits on 31st March 1879 has been included under this head.

§ This figure differs from the closing balance of last year's statement owing to the inclusion of Municipal Funds, and to corrections made in the Incorporated Local Fund Accounts No. 52.
